10. SCMHA will NOT be accepting any players who did not register/roster in a Hockey Canada sanctioned league during the 2021 – 2022 season unless the individual can prove their acceptance by Hockey Canada and/or supply a request to tryout in writing to the SCMHA prior to tryout start dates. Individuals may need to prove where they played the previous season.
11. Please note, the goal for SCMHA is to have 15 SKATERS AND 2 GOALIES for every team. Every age group will be evaluated after the 2nd tryout for the number of participants. If there is an insufficient number of participants to go forward with teams in a particular age group, the Rep Committee and Technical Committee will decide whether to continue the tryouts or not.
12. SCMHA reserves the right to add or remove teams as determined by the Board of Directors.

NOTE: Players who enter the tryouts and who choose to bypass the policies set above will forfeit their eligibility to continue for consideration for any REP TEAM with SCMHA.

Independent Evaluators

As part of the tryout process, the Head Coach must have a minimum of two independent, non-parent evaluators to assist with the selection process. In addition, SCMHA may assign two separate independent evaluators to observe each team's tryout and player selection process. This will allow for the SCMHA to respond to any concerns from parents and/or players as to the impartiality and transparency of the tryout process.

Non-parent assistants who are not related to any player in the tryout process can work in conjunction with the Head Coach during the tryout process. The Head Coach is to provide a list of individuals/evaluators to the Director of Rep and Technical Director prior to the start of tryouts.

Player Selection for Representative teams

Player selection is the responsibility of the Head Coach working in conjunction with the Committee of the Technical and Representative Operations.

The Board is responsible for providing guidelines to the process for selection of players according to pre-determined criteria and using a fair, equitable and unbiased process.

The Stoney Creek Minor Hockey Association reserves the right to apply exceptions to the tryout policies at their discretion.
