## THE WARRIORS ARE REINSTATED TO AA

---

Stoney Creek Minor Hockey Association are excited to announce the return of AA hockey to the community of Stoney Creek. Effective for the upcoming 2022/2023 season, the Stoney Creek Warriors Hockey Club will return to AA competition. SCMHA has fought tremendously hard to maintain the integrity and identity of the Warriors over the course of the last 3 years. We are pleased to announce that for the upcoming season all Warriors representative teams will return to their original AA status. All players that reside within the Stoney Creek representative boundaries as outlined with the OMHA will be considered eligible to participate in AA team tryouts for the upcoming season.

Tryouts dates will be available on our calendars and all registration portals will be accessible in the coming days. More pertinent information will follow as it relates to eligibility, costs, and league information. Representative team and tryout information will be found on our website [www.scmha.ca](http://www.scmha.ca) and we encourage everyone to continually follow our website and social media platforms for further information as it becomes available.

We would like to thank everyone who has supported us during these times and are looking forward to what the future holds. Stoney Creek Minor Hockey will continue to be dedicated and an advocate of influence in our constantly evolving sport. We will put forward every effort to promote positive change and growth and establish ourselves as once again a dominate program within the hockey community. As well, we would like to thank the OMHA for their continued support and belief in the changes that we have made and will continue to make for the betterment of the sport within our community.

We look forward to seeing everyone at the rink.

WE ARE WARRIORS
