

SCMHA & HAMILTON HUSKIES ANNOUNCE 2019-20 SHARED BOUNDARY

The Stoney Creek Warriors Hockey Club & Hamilton Huskies Hockey Club are pleased to announce that the Shared Boundary Initiative will move forward for the 2019-20 season. Over the past season the Shared Boundary Committee have met and after reviewing the past season we are excited to continue working with both organizations for the 2019-20 season.

We have combined our coach selection resources and are working collectively to select coaches for our AA/MD and A/AE teams for the 2019-20 season. The coach selection announcements have been and will continue to be completed by the selection committee.

For the 2019-20 season we will be separating our tryout process, policies and registrations. Hamilton Huskies AA/MD Tryouts will take place at Chedoke Twin Pad Arena. Stoney Creek Warriors A/AE tryouts will take place at the Mohawk Quad Pad Arena. Tryouts will begin on Tuesday April 23. Please refer to either Associations website for exact tryout dates and times. Players will abide by the tryout policies as set forth by either Association when entering desired tryouts.

Players that reside within the residential boundaries of either Association are permitted to tryout for the Stoney Creek Warriors Hockey Club. Under the shared boundaries agreement, players would be permitted and not bound by any internal regulations imposed by either organization for attending or participating in their respective Representative/MD/AE programs. Players within the boundaries of the two Associations will have freedom of movement between the two Associations.

FOR REGISTRATION PURPOSES PLAYERS MUST REGISTER WITH THE CENTRE THEY INTEND TO TRYOUT FOR THE 2019-20 SEASON.

TRYOUT INFORMATION AND POLICIES WILL BE POSTED ON BOTH SCMHA AND HAMILTON HUSKIES WEBSITE.

Lastly, the SCMHA and Hamilton Huskies hockey club will determine to run MD and AE teams at each age group based on tryout numbers/participation. The maximum number of Hamilton Huskies MD teams at each age group will be one and where applicable the SCMHA will run combined age groups AE tryouts.

The SCMHA and Hamilton Huskies look forward to another successful year of the Shared Boundary Initiative!

Yours in Hockey
